

Mandatory Elements in PNRs to All Travelers to the USA:

After receiving a letter from U.S. customs and border protection (Department Of Homeland Security) regarding a penalty proposal imposed on our airlines for all PNRs which do not include advanced passenger information (API) in the proper manner.

Please make sure to include all information required as penalties are too high and immediate action is required taking into consideration SDC (same day connection) passengers as relevant page of check in mask should include the following:

1. Residence.
2. Country Code.
3. Address.
4. City.
5. State / Country.
6. Zip / postal code.
7. Information regarding second document(if passenger is holding 2 passports).
