

Always on the go? Stay close to your customers through your mobile device –

# anytime, anywhere

## It was only a matter of time. Your time.

You need the ability to access booking data at a moment's notice. After all, you work in a business world that never sleeps. That's why we created a mobile application that keeps you close to your business and customers no matter where you are.

### **It's big on productivity**

*Travelport Mobile Agent lets you work the way you want to work. Programmable keys can be configured to perform complex commands, and the application keeps a history of commands you can use again and again.*

## A smarter way to work that's as mobile as you are

Travelport Mobile Agent is a native iOS and Android™ mobile application for Travelport subscribers using the Galileo™, Apollo™ and Worldspan™ global distribution systems (GDS). The application provides an easy-to-use and productive environment to interact with your GDS and conduct business anytime, anywhere.

## The tools you need – when it matters most

Travelport gives you the right tools at the right time. Whether you're working from home, the road or a conference hotel, Travelport Mobile Agent keeps you in touch with your business and customers to increase service, satisfaction and loyalty.

## Powerful capabilities for smartphones and tablets

- Tap into the Galileo, Apollo or Worldspan GDS via common mobile technology: Our application proficiently works with iOS and Android mobile operating systems.
- Use your mobile device of choice: You can access your GDS on an iPhone® and iPad®, as well as other smartphones and tablet computers that use Android.
- Keep your efficiency and profitability high: With mobile access to your GDS, you can create, access and work bookings stored in the system.

## Download it today

If you have a Travelport service agreement in place to use the Galileo, Apollo or Worldspan system, you can download the Travelport Mobile Agent application from the Apple® App Store or Google Play™ Store, then simply contact your Travelport Account Manager for access activation.

## Get into your GDS anytime, anywhere – and never miss a beat

For more information about the Travelport Mobile Agent application, contact your Travelport representative.
