

Due to increased security procedures, some new measures have been introduced that will enhance the way passenger data is collected. Therefore: IATA and the ATA passenger council approved changes to allow transmission of advanced passenger data in accordance with new security and immigration procedures. Please note that these procedures are effective **IMMEDIATELY**. Please note that there's no necessity to change passport info on previous booking files.

This will take the form in three new Special Service Requests

SSR DOCS: Primary document information (passport data)

NEW CODES FOR USE FROM 15 FEBRUARY 2012

SI.P1/SSRDOCSBAHK1/////12JUL76/M//SMITH/JOHN/RICHARD
